

PROGRAM SCHEDULE

Time	Presentation	Speaker	Location
THURSDAY, March 2			
1200-1530	Conference Registration Desk Open		Lobby
1230-1530	Advanced & Novel Regional Anesthesia Skills Workshop <i>*Pre-registration required</i> <i>Instructors: Drs. Chris Prabhakar, Peter Rose, Rana Hamidizadeh, Harpreet Gill, Trina Montemurro, Amber Galbraith, Tom Prasloski, Jason Wilson</i>		Alpine Room 2 nd Floor
1530	Refreshments for Workshop Attendees		Alpine Foyer
1600-1800	Advanced Anesthesia Skills Workshop <i>*Pre-registration required (SOLD OUT)</i> <i>Instructors: Drs. Kevin Rondi, Marjorie Couture, Vincent Fruci, Jessica Kay, Shamir Karmali, Trina Montemurro, Sonia Sampson, Terri Sun, Cameron Williams</i>		Alpine Room 2 nd Floor
1800-2000	Conference Registration Desk Open		Lobby
1800-2000	Welcome Reception - Families Welcome!		Emerald A & Foyer

FRIDAY, March 3			
0630	Breakfast, Exhibits and Registration		Emerald A & Foyer
0655	Welcome & Opening Remarks	Dr. Roanne Preston <i>MD, FRCPC</i>	Emerald BC
0700	Health, Disease, Surgery, and Cognition: Towards a unified view 1. Describe the epidemiology of cognitive change before and after surgery in older adults 2. Identify risk factors for adverse cognitive outcomes	Dr. Elizabeth Whitlock <i>MD, MSc</i>	
0730	Trans(forming) the Medical Gaze: (Re)Humanization and Considerations for Transgender People Coming in for Surgery 1. Better understand conceptualizations of sex and gender 2. Better understand considerations for transgender people coming in for surgery	Dr. Gianni Lorello <i>BSc, MD, MSc (Med Ed), FRCPC</i>	
0800	Regional Anesthesia for Breast Cancer Surgery 1. Describe the anatomy and innervation of the breast 2. Review the benefits of regional anesthesia in breast cancer surgery with respect to various postoperative outcomes 3. Summarize the regional anesthesia nerve block program for breast cancer surgery at Mount St. Joseph Hospital	Dr. Rana Hamidizadeh <i>MD, FRCPC</i>	
0830	Pulmonary Hypertension 1. Classification and pathophysiology of pulmonary hypertension 2. Current guidelines on management of pulmonary hypertension 3. Management of patients with pulmonary hypertension for non-cardiac surgery: Risk stratification and intra-operative management	Dr. Terri Sun <i>MD, FRCPC</i>	
0900	Coffee Break in Exhibit Hall		

PROGRAM SCHEDULE

Time	Presentation	Speaker	Location
0930-1130	UBC Resident Perioperative Skills Workshop <i>*Pre-registration required (For UBC R1-R4 Residents)</i> <i>Instructors: Drs. Kevin Rondi, Marjorie Couture, Vincent Fruci, Jessica Kay, Shamir Karmali, Trina Montemurro, Sonia Sampson, Terri Sun, Cameron Williams</i>		Alpine Room 2 nd Floor
Online	Abstract ePosters Available <u>Online</u>: <i>*Vote on your favorite poster!</i> <ul style="list-style-type: none"> Ultrasound guided bilateral rectus sheath block as a component of Opioid Free Anaesthesia (Debesh Bhoi) Avoid NECKrosis: Challenging Intubation Gone Awry (Emily Bero) Tell Me Your Dehisced, Darkest Secret: A Case of Mechanical Aortic Valve Prosthesis Dehiscence and Management of Resultant Severe Aortic Regurgitation Intra-operatively (Jennifer Eller) A case report highlighting the potential of perioperative ultrasound in the post-anesthesia care unit (Stephanie Alexis) 		
1130-1300	Oral Abstract Presentations: <i>*Light lunch provided</i> <ul style="list-style-type: none"> Dexmedetomidine in Cytoreductive and HIPEC surgery: a single-centre retrospective cohort study Identifying gaps in care delivery to support patients in pain management after inpatient surgeries with risk of persistent postsurgical pain: a scoping review Regional anesthesia for breast cancer surgery at a high-volume breast centre: A retrospective cohort study Standardizing Out of Operating Room Airway Management in a Tertiary Pediatric Hospital Under Pressure? Quality Improvement Study of Airway Device Cuff Pressures 	Sonia Abid Maya de Vos Rana Hamidizadeh Mary-Claire Simmonds Carla Henderson	Emerald BC
1315-1510	Trainee Oral Exam Prep Open to R5 Residents only. (SOLD OUT)	UBC Faculty Instructors	Alpine Room 2 nd Floor
1530	Après with Exhibitors		Emerald A & Foyer
1600	The Pearls and Perils of Perioperative Buprenorphine Management <ol style="list-style-type: none"> Understand buprenorphine trends in Canada Discuss perioperative buprenorphine management strategies 	Dr. Hance Clarke <i>MD, PhD, FRCPC</i>	Emerald BC
1630	Hot Topics in POCUS <ol style="list-style-type: none"> Identify novel POCUS techniques which are applicable to a perioperative setting Reflect on how these POCUS techniques may be incorporated into clinical practice Discuss the evidence base behind these POCUS techniques 	Dr. Katie Wiskar <i>MD, FRCPC</i>	
1700	EDUCATION IN ANESTHESIA PANEL Resident Wellness: Returning to Work <ul style="list-style-type: none"> Discuss what I found helpful in returning to work following a leave of absence Managing Change in Difficult Times <ul style="list-style-type: none"> Discuss strategies for leading group through change Review issues of group culture 	Dr. Hamish Bodnar <i>MD, PGY4 Anesthesiology</i> Dr. Laine Bosma <i>MD, FRCPC</i>	

PROGRAM SCHEDULE

Time	Presentation	Speaker	Location
	<p>Community Building Amongst Trainees</p> <ul style="list-style-type: none"> Define the need for resident support Examine the literature on community building amongst trainees Illustrate the setup at BCCH for supporting residents <p>How Bias Can Influence Education</p> <ul style="list-style-type: none"> To better understand bias To be reflexive of one's own social locations and subjectivities and its influence on interactions 	<p>Dr. Zoë Brown <i>MB ChB, FRCPC, BSc</i></p> <p>Dr. Gianni Lorello <i>BSc, MD, MSc (Med Ed), FRCPC</i></p>	
1815-2015	Exhibitor's Reception - Families Welcome!		Emerald A & Foyer

SATURDAY, March 4

0630	Breakfast, Exhibits and Registration		Emerald A & Foyer
0700	<p>Medical Cannabis and the Evolving Canadian Landscape</p> <ol style="list-style-type: none"> Examine current cannabis use trends in Canada Discuss recent basic science data in animal models of OA Discuss introducing medical cannabis for a chronic pain patient 	<p>Dr. Hance Clarke <i>MD, PhD, FRCPC</i></p>	Emerald BC
0730	<p>Lessons from the Trauma Bay: Trauma Updates and Interesting Cases</p> <ol style="list-style-type: none"> Have an overview of the peri-operative care of the Transgender Patient Have an overview of current surgical techniques and approaches in gender affirming surgical care 	<p>Dr. John Taylor <i>MD, MPH, FRCPC</i></p>	
0800	Respiratory Physiology at Altitude	<p>Dr. Cassandra Poirier <i>MD, MSc, PGY2 Anesthesiology</i></p>	
0830	<p>Quality and Patient Safety in the Remote Care Environment</p> <ol style="list-style-type: none"> To gain a general understanding of the history of medical simulation To improve awareness of the critical role simulation has played in the current pandemic To gain an understanding of how you can implement simulation-based training into your current workplace 	<p>Dr. Robert Johnston <i>CD, BSc, MD, MA, FRCPC</i></p>	
0900	Coffee Break in Exhibit Hall		Emerald A & Foyer
1030-1230	<p>CPMA WORKSHOP: Delegation & Supervision: Risks, requirements, and rewards of working with trainees and other healthcare providers</p> <ol style="list-style-type: none"> Describe medical-legal considerations of multidisciplinary healthcare teams Describe medical-legal considerations of a training environment Identify communication principles that optimize patient safety 	<p>Dr. Robert Johnston <i>CD, BSc, MD, MA, FRCPC</i></p>	<p>Glacier Room 2nd Floor</p> <p><i>*Pre-registration required (spaces available)</i></p>
1530	Après with Exhibitors		Emerald A & Foyer

PROGRAM SCHEDULE

Time	Presentation	Speaker	Location
1555	Abstract Awards Ceremony		Emerald BC
1600	The Dramatic Evolution of Evidence-Based Hip Fracture Anesthetic Strategy: What happened? <ol style="list-style-type: none"> Understand the epidemiological definition of a confounding variable Use confounding to explain why hip fracture anesthetic strategies behave differently in observational vs experimental trials 	Dr. Elizabeth Whitlock <i>MD, MSc</i>	
1630	Obesity in Pediatric Anesthesia <ol style="list-style-type: none"> How to approach health at every size with our pediatric patients Discuss overcoming challenges in the OR with obese pediatric patients Discuss adaptive options for these patients 	Dr. Sonia Sampson <i>MD, FRCPC, BMLSc</i>	
1700	Pediatric Update <ol style="list-style-type: none"> Managing the difficult pediatric patient Utilizing resources available and thinking outside the box 	Dr. Zoë Brown <i>MB ChB, FRCPC, BSc</i>	
1730	Development and Implementation of a Peer Support Program for your Department <ol style="list-style-type: none"> Why Peer Support programs are important How to go about setting one up Practical hints and tips once it's up and running 	Dr. Asim Iqbal <i>MBChB, FRCA</i>	
1800-1930	Wine & Cheese Reception with Exhibitors <i>Registrants Only</i>		Emerald A & Foyer

SUNDAY, March 5

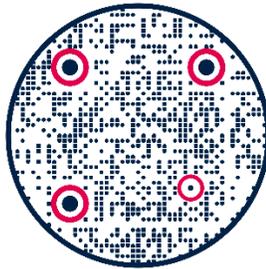

0630	Join the Experts and the WAS Organizing Committee for Hot Breakfast!		Emerald A & Foyer
0700	The Chronic Pain Landscape in Ontario <ol style="list-style-type: none"> Examine pain practices in Ontario over the past 10 years 	Dr. Tania Di Renna <i>MD, FRCPC, BSc</i>	Emerald BC
0730	BEST PAPERS IN ANESTHESIOLOGY: A DEBATE WITH THE EXPERTS <i>Featuring four presentations. Delegates to vote on the most impactful paper!</i> <ol style="list-style-type: none"> Evaluate the strengths and limitations of recent high-impact papers Consider whether to incorporate recent updates from the anesthesiology literature into clinical practice Choose a winning paper of the year 	Dr. Anton Chau Dr. Alana Flexman Dr. Chris Prabhakar Dr. Terri Sun	
0845	Coffee Break		Emerald Foyer
0900	Minimizing Foot in Mouth: Equity, Diversity, and Inclusion Terminology and Language <ol style="list-style-type: none"> To better understand equity, diversity, and inclusion concepts To appreciate the dynamic nature of words within the EDI space 	Dr. Gianni Lorello <i>BSc, MD, MSc (Med Ed), FRCPC</i>	Emerald BC
0930	OB Anesthesia and the Epidural Catheter Shortage: What to do if you don't have an one!? <ol style="list-style-type: none"> Identify a triage process at their institution when there is a shortage of epidural catheters Have options for analgesia that can be developed at their institution, for nulliparous and multigravida patients 	Dr. Roanne Preston <i>MD, FRCPC</i>	

PROGRAM SCHEDULE

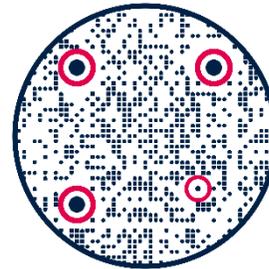

Time	Presentation	Speaker	Location
1000	Pragmatic and Aspirational Approaches to Postoperative Delirium 1. Describe pragmatic risk factors for postoperative delirium 2. Understand realistic outcomes of a pragmatic postoperative delirium risk stratification and prevention campaign 3. Assess feasibility of anesthesiologist-driven, nursing-driven, and surgery-driven strategies at your institution	Dr. Elizabeth Whitlock <i>MD, MSc</i>	Emerald BC
1030	Closing Remarks Complete Evaluations Exhibitor Prize Draw
